

COMMUNITY

Shopping at your local **Prairie Sky Co-op** helps support local vendors, creates **employment**, nurtures **sustainable growth** and helps invest in local **non-profit organizations and charities**.

These are some of the ways Prairie Sky Co-op contributed to its communities in 2020.

Community Response Program Grant
donated \$26,900 to 16 local charities

Casual Friday program donated over
\$2300 to 12 local charities

Fuel Good Day raised \$4620 for Envision, CMHA
and Weyburn Therapeutic Animal Park

We helped over **80** local community
clubs, groups , schools and teams

Sponsor of the Year Award winner from
Saskatchewan Lacrosse Association

Thank you for your continued support! Without our customers, none of this would have been possible.

CASH-BACK.**

WHAT IS A CO-OP AND WHY IS MEMBERSHIP IMPORTANT?

Prairie Sky Co-op is locally operated and owned by its members. Each time Prairie Sky Co-op members shop at their local Co-op, their purchases are added up so they can share in Prairie Sky Co-op's profits in the form of cash (cheque) and equity deposited into an equity account once a year.

HOW MUCH HAS PRAIRIE SKY CO-OP GIVEN BACK?

Over the past 10 years, Prairie Sky Co-op has given back over \$53 million in cash and equity to our members.

HOW MUCH WILL I GET BACK?

It's easy to earn cash back just by shopping at Co-op, the more purchases you make, the more cash back you will receive.

Members' allocations depend on the amount they spend as well as the profitability of the Co-op. The Board of Directors sets allocation rates each year.

Equity that is not paid out stays in the member's account and continues to grow with your purchases until you qualify for a full payout.

(Members may apply for a full payout if they move away from the trading area, are over the age of 65 or are acting on behalf of an estate).

Prairie Sky Co-op serves the communities of Weyburn, Beaubier, Milestone, Lang and surrounding areas.

You can use the same Prairie Sky Co-op member number at each of these locations.
