

## Prairie Sky Co-op Announces Gas Bar Closure

Weyburn, SK. August 15, 2019 — Prairie Sky Co-op will be closing the Coteau Ave gas bar, which is located next to the food store, effective September 20, 2019.

The gas bar requires major repairs to continue to operate safely and meet our members' expectations into the future. The cost of these repairs along with the sales volume of this site have led to the decision to close this location. Every effort will be made to retain our gas bar employees and move them to our other locations wherever possible.

Customers are encouraged to use our other C-Store locations in Weyburn at 1794 1<sup>st</sup> Ave and at the junction of Highway 13 and 39. We also have pump locations in Beaubier, Lang and Milestone that you can use your Prairie Sky Co-op membership number to earn equity and cash back. For fuel purchases made in 2018, members received a 5% allocation.

"Prairie Sky Co-op remains committed to investing in the community and has a long-term plan to invest in our facilities and equipment to best serve our membership," said Kevin Arthur, General Manager of Prairie Sky Co-op. "We'll be sharing more details of these investments in the near future."
